

Our Legacy by Phil Maughan

A person's legacy is created on many planes, family, career, community involvement and more. Every VFW member shares a powerful legacy of serving in combat to defend our nation. By choosing to join the VFW we also extended that legacy through our commitment to assist veterans, their families and our communities. The VFW has a unique program which enables us to further our legacy in another important way. Legacy Life Membership allows you to donate money to the VFW Foundation that will create a perpetual income stream to the VFW at the post, state and national levels. There are various levels of giving within the Legacy Life program from \$400 to \$1200 and payment can be made all at once or over time. You can also start at one level and choose to move up to a higher level at any point.

There are various benefits associated with Legacy Life Membership including a tax deduction, a special membership card, discounts on purchases from the VFW Store and more. The greatest benefit, however, is the knowledge that by becoming a Legacy Life Member you are helping to provide a perpetual source of stable income to ensure that the important work of the VFW in assisting veterans, their family and our communities will continue forever.

As we approach Veterans Day each of us pauses briefly from our busy daily live to reflect on invaluable role that all who have served in the military in securing and maintaining our nation's freedom. You should be very proud of your personal role in that legacy of service. Our country will always be in your debt. This year please also consider if Legacy Life Membership is appropriate for you at this point. It would a tangible way for your commitment to the values and work of the VFW to live on forever.

Grounds Committee

To all those who got an experimental plant from the plant sale, I would like a short report on the plant. You can either call me at 630-357-3440 or email me at marcymaughan@wowway.com.

The flowers at the VFW did very well this year. We are going to have to move some lilies and a couple of peony bushes as they are in too much shade. I will be asking for help when I find out the date that the Kennedy kids can come.
